President's Message

August 2026

Volume LXXXIX. Issue 8

The July 16 Club meeting was a great example of how blessed we are to live in these United States. We get to gather freely in a public library at no cost and participate in a hobby that brings joy to our hearts. We were able to have Anna and Keith Trischan from Wisconsin Federation of Stamp Clubs, that Quad City Stamp Club is a part of, offer many lots of stamps in a silent auction. Many members took advantage of the offers and the Trischans took fewer stamps back to Wisconsin. Leen gave a great presentation on watermark detection, with the help of the library's AV equipment. Next month Leen plans on displaying some watermark detection tools. Each of us should step back and appreciate the freedoms we are able to enjoy every day. I encourage the members to attend the monthly meetings to realize the excitement of our hobby.

Forever Stamps, Larry Jones, President QC Stamp Club

Report for the July 16 meeting

- The meeting was attended by 15 members & Keith and Anna Trischan from the WFSC
- Anna & Keith held a silent auction in advance of the regular meeting, and raised money for the WFSC in return for some great auction lots sold to our members.
- Larry had visited Alan Skoog and reported that Alan is doing okay, but is likely not able to attend our meetings anymore. We all hope he will do well and we miss him.
- We welcome new member Wolfgang Benninghoven!
- There were no raffles this month, to save some time in an otherwise busy agenda
- Financial report shows we are still doing well.
- A short update on the MSDA stamp show for Oct 23-24 in Durant was given. At the August meeting we will have to decide on volunteers that are available if necessary to assist.
- The auction raised \$ 173. That means 10 % of that amount goes into the club funds.
- There was no Board meeting this time.
- Anna & Keith reported that the big WFSC WisCoPex will be held in Kenosha in 2027. Stay tuned for exact dates.
- Also, if we want to publicize events or place ads in their newsletter (Fence Post) we can do so, we can also use "E-Blasts" to spread the word throughout the WFSC member clubs.
- Bettendorf will have a table for us November 7, from 10 am to noon, to promote our club and hobby. Please think of some ideas: donations, show off collections, Topicals, bring membership forms and philaquad newsletters to hand out.
- We always can use more lots for our auctions! Any member can participate by providing lots for sale in the auctions.
- After a presentation on watermark detection, there was a request for a demo on watermark detection tools, for Leen to bring some of them to the August meeting.
